# OUR MISSION

Youth for Christ reaches young people everywhere, working together with the local church and other like-minded partners to raise up lifelong followers of Jesus who lead by their godliness in lifestyle, devotion to prayer and the Word of God, passion for sharing the love of Christ and commitment to social involvement.

## 2022

A year of exciting growth.

We praise God for advancements in our mission: new youth, new staff, new opportunities.

We're also burdened by the many unreached youth in our community. We're compelled by the words of Jesus in Matthew 9, "The harvest is plentiful, but the laborers are few." We're therefore praying earnestly to the Lord to send out His people.

We have encouraging momentum, and we hope to keep going in 2023. Join us as we pray towards a movement of the Lord among our youth.

In Christ,

Haddon Anderson,  
Executive Director

## **AUTHENTIC, CHRIST- SHARING, RELATIONSHIP?**

We're glad you asked. ACSR's are a core process of ours that involves engaging youth on a deeper level relationally and with the hope of Christ.

To see a glimpse of some Authentic, Christ-Sharing Relationships check out these videos we shared at the banquet this year.

They feature staff members and volunteers reading letters of encouragement to youth that they're in an ACSR with.
