

**be  
THE STORY**

*Give to the Be the Story campaign and your gift will help reach **even more** young people at pivotal moments through a **\$125,000 matching gift.***

**A WEEKLY GLIMPSE INTO YFC MINISTRY INCLUDES:**

- Gatherings for youth at our new Campus Life Center in Loves Park
- City Life club on Thursdays for local Rockford youth
- K-PLAY on Wednesdays connecting local police and youth
- Next Steps meetings on Mondays through our Juvenile Justice Ministry
- Regular mentoring appointments with justice-involved youth
- Staff active in schools across the community building relationships with local youth
- A new YFC van and a local church bus logging heavy miles to transport youth

I could keep going. Connections with youth are happening and our vision is growing. We currently have a unique opportunity through our Be The Story campaign. **A \$125,000 matching gift allows your gift to be doubled.** Your support advances the mission of Youth for Christ as we uncover God's story of hope to youth in pivotal moments of their lives.

We ask you to consider a generous contribution to YFC through our campaign. We invite you to join the movement and "Be The Story" to our youth. Consider the lasting impact of Authentic, Christ-Sharing Relationships through the following examples:

- A young man who found Christ at YFC Camp, developed a hunger for God's Word, and is now enlisted in the Navy
- A young lady who has overcome a host of adversities to pursue her education and dreams of working in a beauty salon
- A young lady who, while battling her own health challenges and pressures at school, has strengthened her faith in Christ and invited friends to YFC's Campus Life

Thanks for investing in God's kingdom through YFC. We press on for His glory.

Haddon Anderson, Executive Director
