

WHO ARE MINISTRY LEADERS?

You might volunteer your time as a Ministry Leader, but you are not JUST A VOLUNTEER. As a ministry leader, you'll get the opportunity to invest in young people through authentic, Christ-sharing relationships. This could look different depending on which ministry site you serve at and what you're passionate about.

Do you like to lead high-energy games? Are facilitating small groups more your thing? Do you find yourself walking through conversations with youth facing difficult circumstances?

If you're passionate about reaching young people everywhere (in schools, community centers, juvenile detention centers, etc.), with the gospel we'd love to talk with you more.

HOW DO I GET STARTED?

Reach out to us to set up a time to meet or learn more about what it means to volunteer as a ministry leader. You probably have questions or fears about serving; we'd love to talk with you about those. You can also head to our website to learn more about when our ministries meet or fill out our volunteer application.
